

Subject requirements

TTK, Physicist-engineer BSc, Year 3

OPTICS

Code: BMETEAfBsPOPTK-00; **Requirement:** 2/0/0/e/3 (E)

Semester: 2025/26/1; **Language:** English

Lecturer: Gábor Erdei (course A0)

Attendance requirements: No special requirements.

Midsemester assessment: In order to assist timely preparations, the lectures are supplemented by online self-assessment tests. The grading of these is not taken into account at the final evaluation, but to obtain a signature it is necessary to turn in at least 70% of them until the end of the late completion period.

Conditions for signature: see above.

Composition of the final grade: The subject ends with an oral exam. The final grade is that of the exam.

Consultations: Based on demand, scheduled by agreement with the lecturer.

Budapest, 16 July 2025
